

Cabinetry

“When I bought my wife’s diamond, I wanted her to be envied by her friends. When I unveiled my Diamond Garage, I became the envy of my neighborhood.”

Thomas Kirgin,
St. Peters, MO

Diamond Garage cabinets come in six standard colors plus an endless array of custom colors and size options.

Through extensive research and development, Diamond Garage Interiors delivers the **toughest garage cabinetry in the industry**. Diamond cabinetry has been **engineered to withstand the harsh garage environment**.

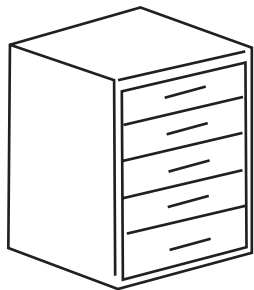

While tough as nails, Diamond Garage cabinets are beautiful like their namesake. They enhance the curb appeal of your home and offer ample storage solutions for everything in your garage.

- Weather Resistant
- Fully Assembled Construction
- Industrial Grade Construction
- 34 Standard Sizes
- Infinite Design Capabilities
- Lifetime Warranty

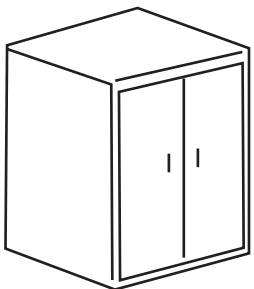

"Not only are our cabinets the strongest constructed in the industry, we also provide the largest selection in sizes and colors available."
