

Overhead Storage

"We have been able to get everything off the floor and in it's own place. Now we can actually park both cars in our garage. Thanks Diamond Garage."

Chuck Wolfe,
Toledo, OH

**Creating new storage space overhead,
out of sight and out of the way.**

Bring items off the ground and away from the hard to reach attic! Diamond Garage's Overhead Storage units have the ability to store anything from holiday decorations to golf clubs and even automobiles! Crafted from durable, high-density metal- these storage shelves bring items off the floor, leaving your garage full of space and free of clutter. The shelves are easily accessible when the belongings are needed again.

- Made in the U.S.A.
- Industrial Strength
- Water and Moisture Resistant
- Easy Maintenance
- Lifetime warranty
